Hello!

Membership is now at 828. This is quite a drop from the last report of 848. I can not account for the loss (certainly adds a degree of urgency to our Loyalty Pilot work).

Also working with Lois on the Open House. I will work on identifying new members. At a minimum, I can compare monthly rosters against the January 2011 roster for additions.

For the Open House, I will need to recruit and assign buddies. I think that there should be some judgement for some of the pairings.

Thank you - Victor

Cheers,
