

Report of the Military Libraries Group – DC/SLA, August 2012

1. Diane Schnurppusch is working with James King to archive and move to FLICKR photos and program descriptions of past MLG activities with DC/SLA. Work is ongoing.

2. Tour of Dodona Manor, Aug 25, 2012, 11-12:30, Leesburg, VA

Nineteen people attended this joint activity with DCLA. Due to extensive construction on the METRO Orange, the Vienna Station and others down the line were not available for carpooling purposes. People attending were resourceful. Two came by way of White's Ferry from Maryland ; carpooling happened anyway.

Two excellent Dodona Manor Docents took small groups through the house and grounds. The video and displays were excellent.

After the successful tour attendees had successful luncheons at Tuscarora Mills (5) and Lightfoot (10) in Leesburg. We lost a few who had other plans/appointments. An enjoyable outing!
