

## SPONSORSHIP REPORT – APRIL 2012

Leadership Directories chose not to sponsor the chapter this year : (

They, at first, proposed to be a \$3000 contributor  
Does someone know a way to persuade them to help the chapter, perhaps at a lower level?

InfoCurrent has committed to sponsoring the June job event

Please add their name as sponsor for any event announcements including the web site and email messages

For the other June event, “Finding Your Inner Nancy Drew.....Public Records Research Online”, I need a sponsor. (June 4 – daytime)

Do you think that a law vendor would want to sponsor an event that is mostly about free resources?

Who would be interested in sponsoring such an event?

Other sponsors

I am soliciting ideas for organizations that you know may want to sponsor a chapter event or be a general sponsor

Looking for those vendors that are anxious to get their word out
