

**Sponsorship Relations Director Report  
August 1, 2013**

Current activities are as follows:

**Leadership Directories**

LD has agreed to sponsor our annual meeting at the University Club in December.

**IOP**

IOP sponsored the Catherine A. Jones Memorial Scholarship again.

**Open House/Annual Meeting**

My biggest priority over the next two months is finding sponsors for these two events. I'll be contacting several sponsors who have sponsored these events in the past few years, and I made some new contacts in the exhibit hall at the annual conference.

Respectfully submitted,

Jenny Wood  
Director, Sponsorship Relations
