

Technology Report (James King)
October 2013

This past month, we completed the migration of DC/SLA Radio broadcasts to our new YouTube channel at:

<http://www.youtube.com/channel/UCm9yQPWNaOH5VymywJkar5Q>

I also deleted a bunch of weekly backups from the server to pull us away from filling our account.

On my list for the next month is to put out the call for award nominees, both to our board and to our membership.

I also received the Loyalty Field Guide but it is not complete. Mary Talley, SLA HQ and I are reviewing the document for spelling and grammar, as well as content. Once ready, it will be pushed out to the loyalty web site (loyalty.sla.org).
