Total: 626 Members

This number is down about 70 people since April – all in full member category. (although I'm not sure how accurate those numbers were at the time because Paula had been behind in some areas.)

2. Projects/Ideas for final months.

- **Welcome email/message.** Emailed with Richard Huffine about creating a welcome/renewal email that automatically gets sent to new and renewing members to highlight DC/SLA features and areas where they can get involved.
- **Kathy Kelly – still in communication about a connection between volunteer and membership roles.**

3. Transition

- **Hoping to leave the position in a few months in a good position with some of these ideas already in place for the president elect to take off with/cement!! Once we know who it is, I hope to meet with them to discuss ideas and what was currently in place.**
