

Sponsor Relations Director Report

August 2014

I updated the DC/SLA page with the latest sponsorship information, including the sponsors below.

IEE Sponsorship of July Event

IEEE funded the cost of the speaker for the July 10 program, "Communicating through Infographics".

IOP Sponsorship of Scholarship

IOP has once again funded the DC/SLA scholarship.

I have tendered my resignation for the Sponsor Relations Director. I will stay until either a replacement is found or December 31, whichever comes first.

Respectfully submitted,

Jessica Bland
